Dear Bill

It was very good to see you and Robin last week. Thank you for making the time to come to the Gallery and for your interest in Archie Forrest's work. An invoice for "Southern Garden" is enclosed.

The portrait of David Donald by David Donaldson arrived safely. Please let me know when you would like me to deliver it. I confirmed the price with Marysia Donaldson this morning. It is £15,000, inclusive of V.A.T.

I look forward to hearing from you.

40" x 36"

With best wishes.

Yours sincerely

T.A. Hewlett
