30th September 1980

Thank you for your letter of 11th September enclosing the photographs of your tempera "Boddin Point". I like it very much indeed and enclose a cheque for £1,250.

I do not know how you intend to send it, but if it is any help the Fine Art Society, 12 Great King Street, Edinburgh, have transport going up and down fairly regularly, and if you can deliver the painting to them I am sure they would pass it on to us.

The other painting which we have "Christmas Day" has been greatly admired by everyone who has seen it.

DEAR MR. Donald,

I am writing to let you know that I
have now finished my tempera
"Boddin Point."

I am sorry about the quality of the
photographs - the black & white are
a bit hard - the painting is much
softer - in straw/mustard colours & greys.
The 'polaroid' gives some indication of
the colour & tone, but again - not ideal.
The price is £1250.00.

If you are ~~still~~ interested you can
let me know. Please keep the
photographs as I have another copy.

Kindest Regards,

Yours sincerely,

John Crawford.
