

MAINS OF FARNELL,
BRECHIN, ANGUS,
SCOTLAND.

TEL. FARNELL 225.

4th August 1968

Dear David

Thank you very much for
your letter. I am much complimented!

David, I charge £100 for a
portrait head. This is in plaster painted.

Mr Mancini charges £40 to £50 for
doing it in bronze

The Mancini brother in London charges
about £20 for doing it in fibreglass
almost indistinguishable except at close range.

I cannot give a time of work
my latest was 4 hours the latest
(we talked too much!) about 34 hours

would guess 8 - 10 hours. I am
rapid worker.

I am 15 years behind
by commissions, but I guess
could rather have Mr Fleming now
at 92!

I can work anywhere as long as
there is light.

Anyway - would simply love to
see you, can we kidnap you off
tail?

I bought Phyllis's lambs which
give me infinite pleasure, her work
lovely, isn't it!

Looking forward to seeing you

H. Lubbock

COPY

24th December 1968

Thank you for your letter of 14th December. The head arrived yesterday and has been greatly admired. At the moment it is in the hall on the ground floor for everyone to see and we have not yet decided upon its permanent location.

I enclose a cheque for £155.15.0d being made up as follows:

G. Mancini	£ 55.15.0d.
Your own fee	£100. 0.0d.

£155.15.0d.

✓ CAT.

If this is not enough for your own fee in view of the rate of inflation since the time you gave me the original quotation, please let me know!!

I return your cheque for £4.2.6d. as I see no reason why you should pay this as it is really an incidental expense associated with the whole operation.

All the best to you all for 1969
