Dear Bill,

I have at last today managed to get hold of John Bellany, who will duly be sending you an invoice under his name and VAT number for the painting. We would be extremely grateful if you could put this in your files in place of the one I originally sent you, and send a copy to the MBF accountant, Gwen Young, at the address below.

I do apologise that this has all been rather a performance, and thank you very much for your patience in dealing with us amateurs!

Yours sincerely,

Susan Ladenburg
