Robert MacBryde – Still Life with Avocado Pears

Dear Mrs Pim,

In response to your letter of 28th January 2019, I confirm that your Robert MacBryde painting, as detailed above, is a much cherished work in the collection; it is in excellent condition; and hangs in our offices in Suffolk Street where it is available on request to view by the general public. It is also singled out on the numerous private tours and events featuring the collection.

It is most generous of you to continue to loan this marvellous painting as we do not have another example by MacBryde – and as such it adds immeasurably to our ability to tell the story of Scottish art from the seventeenth century to the present day.

One day I would love to hear of the circumstances, which led you to acquire the picture.

With continued thanks,

Yours sincerely,

James Knox.

James Knox,
Director, The Fleming-Wyfold Art Foundation
