Dear David,

I have received notification from the Royal Academy that you have purchased my watercolours 'Cat and Flowers' catalogue no. 105 from the Summer Exhibition. I should like to confirm the sale and to thank you very much indeed. I am delighted that another of my paintings will be going to Robert Fleming.

Many thanks also for agreeing to lend the oil painting of "Ericciva" for the retrospective exhibition and for the splendid publication of your collection at Robert Fleming. John and I were delighted to receive it. The preparations

for the exhibition are now nearly hectic complete - but it has been rather ~~better~~ the past few weeks. Much of the early work belongs to me and it has been quite a task getting it all framed etc. but fortunately John is a very good organiser!

Once again, very many thanks and I hope that 'Cat and Flowers' will give a lot of pleasure. The tortoiseshell cat is called Co-Co. I enclose the removal order card to enable you to collect it at the close of the exhibition.

John and I send you both our very kindest regards.

Yours sincerely,

Elizabeth Blackadder.

Dear David,

Thank you for your letter of 17th August. I should like to acknowledge the receipt of the cheque for £920.00 in payment of the painting 'Cat and Flowers' which you purchased on behalf of Fleming Holding Ltd., from the 1981 Royal Academy Summer Exhibition.

Very many thanks. I hope that you manage to find a space on the wall for it - it is quite large.

Thank you again for lending the paintings for my retrospective exhibition. I am very pleased indeed to be able to show them. I am only sorry that they have to be away for such a long time.

We hope to see you in London sometime. John is having an exhibition at the Hurlingham Gallery in October.

Our very kindest regards.

Yours sincerely,

Elizabeth Blackadder.
