Dear Bill,

I must apologise for the delay in writing to you since our conversation.

I would like to confirm the sale to you of the Oil by William McCance titled "The Result" on the terms we discussed and agreed.

I have advised Margaret McCance that you have agreed to lend the work to the Scottish National Gallery of Modern ^{ART} for their exhibition of his work later this year in Edinburgh.

I shall be sending an invoice shortly.

I think this is an excellent acquisition which I am sure will fit very well into your collection.

With kind regards,

Yours Sincerely,

Cyril Gerber.
